## PARCEL DELIVERY IS BADLY NEEDED

Local Business Men Suggest That Matter be Taken up With Postoffice Department.

## BIG INCREASE IN SERVICE

Parcel Post Receipts Exceptionally Heavy Now Due to Strike in Railroad Yards.

The parcel post business at the Seymour postoffice has increased to such an extent during the last few years that the present force of carriers is unable to make prompt delivery of the hundreds of packages received here daily. Many business men, realizing the situation, have suggested that a movement be started here to secure a parcel post delivery system which would relieve the city carriers of the task of handling this character of mail.

It is not believed that great difficulty would be encountered in securing the parcel post delivery. The plan of action, it is said, would be for the Chamber of Commerce or some other organization of representative business men to petition the postoffice department for an additional appropriation sufficient to cover the cost of the delivery system. The petition properly indorsed by the local business men would be filed with Allen Swope, local postmaster, who would transmit it to the proper division in Washington. An investigation of the need mentioned in the request would then be ordered. Local business men declare they are certain that such a delivery system would be authorized for Seymour if the matter were taken up in the proper way and the department's attention called to the situation.

Frequently local mail carriers take out from 175 to 200 pounds of mail on a delivery. It is impossible for one man to carry this amount of mail, which consists of parcels of all shapes and sizes, and he is required to make several trips to the office before he can cover his route. The parcel post business in the business district is especially heavy, and the practice has been followed of asking the addressees to call at the office for packages weighing more than a few pounds and those which are exceptionally bulky.

The parcel post department in the Seymour office has been congested during the last few days due to the strike in the principal railroad centers of the country. Many packages which ordinarily would be sent by express or freight are now shipped by parcel post as freight service from distant points is impossible and express service in some sections of the country is uncertain. Although the rules of the postoffice will not permit the sending of a package by parcel post of more than a certain weight, shippers get around this regulation by dividing the shipment wherever possible and send it in more than one parcel. This practice not only adds to the number of packages handled, but also increases the total weight of the mail.

It is likely that some action will be taken by the Chamber of Commerce in the near future relative to a petition for delivery service.

## MANY CARS BEING HELD IN LOCAL FREIGHT YARDS

Little Change is Noticeable Today in Congested Condition—Few Freight Trains Running.

Very little change is noticeable in the congested condition of freight cars in the local Baltimore & Ohio yards today. A large number of cars consigned to St. Louis are still being held in the yards here awaiting the settlement of the switchmen's strike.

Only a few freight trains have passed through the city today. However, it is the opinion of local railroad men that the strike condition is improving and it is believed that a settlement will be reached soon.

## DRILLING FOR OIL NEAR CLEARSRING

Test Well Being Driven for Jackson County Development Company on Clearspring Hill.

## DRILL IS DOWN 650 FEET

Geologist Says Oil Vein Will be Found at Depth of 1428 Feet—Much Interest Manifested.

Residents in the western part of the county are anxiously awaiting developments in the test oil well which is being drilled on the top of the Clearspring hill in Owen township. Many people in that section of the county feel certain that there is oil in that vicinity and that if proper efforts are made a good flow will be found.

The test well is being driven by an experienced oil man who has been engaged in the business for several years. The Jackson County Development Company, which is composed mostly of Brownstown men together with a number of farmers in the western part of the county, is having the test made and the majority of them feel that the investment will prove a profitable one.

The machinery for drilling the oil well was put up several weeks ago and drilling has been in progress for over two weeks. According to a report from Brownstown today the well has been driven about six hundred and fifty feet. The drillers have struck a surface of hard shale in which they are drilling now.

Before deciding to drive a test well the Jackson County Development Company had the state geologist go over several hundred acres of land in Brownstown and Owen townships and he selected the location where the well is being drilled. According to the geologist's report of his investigation an oil vein should be found at the depth of fourteen hundred and twenty-eight feet. The

## UNUSUALLY HEAVY DEMAND IS MADE FOR SEED OATS

Many Acres of Wheat Ground Being Turned and Seeded in Oats—Wheat Crop Short.

The demand for seed oats is unusually heavy this spring due to the large acreage of wheat which is being put in this crop. The wheat in this county is not in good condition, much of it having been winter killed. The Hessian fly is also appearing in many fields which emerged from the winter. Seed oats are selling from \$1 to \$1.25 a bushel for the best quality and a scarcity is reported. Farmers who held over more oats than they needed for feed are finding a ready market for the surplus among their neighbors. The failure of the wheat crop will result in a very small yield in the county this year. The loss is especially serious at this time because of the high price of the seed which was sown last fall.

## STRIKE HAS NO AFFECT ON LOCAL FOOD PRICES

Few Commodities Which Have a Market Out of City Are Even Reduced.

Seymour thus far is fortunate in not having a serious change in food prices. In some of the larger cities prices have soared skyward due to the curtailment of shipments and the rapidly diminishing supplies on hand. The prices here have remained stable and a few commodities which have a big market in large cities have been reduced in price because shipments cannot be made.

The strike, however, is felt by some firms which rely upon articles not made here. Practically all long distance shipments have stopped and only partial local freight service is maintained. The number of freight trains through this city is the smallest for many years and comparatively few Baltimore & Ohio freight crews are at work.

## COPY FOR PRIMARY BALLOTS PREPARED

Wednesday Was Last Day for Candidates for Any Office to File Declarations.

## INSTRUCTIONS TO BOARD

Informed That Aspirants for National and State Offices Must be Named on Ballots.

Wednesday was the last day for candidates for any office to be nominated in the primary election to be held on Tuesday, May 4, to file their declarations with the county clerk. The time for filing candidates for all offices except delegates to the state conventions expired Saturday, April 3, but the law gives these candidates additional time. There was some controversy as to when this expired. In some counties Tuesday, April 13, was taken as the last date while in others an additional day was given. In this county Wednesday was accepted as the last day.

Now that all candidates have filed their declarations with the clerk the board of election commissioners is reviewing the statements to see that they are properly prepared and are getting the copy ready for the printing of the primary ballots.

Frank L. Schornick, county clerk, was informed Wednesday by the state board of election commission-

## CHRISTIANITY IS HOPE OF THE WORLD

The Rev. F. Patrick Dennison So Declares in Forceful Address at First Baptist Church.

## SPEAKS ON WORLD MOVEMENT

Canadian Declares Faith in The Christ is Only Remedy to Save World From Dangers.

An audience in the First Baptist church last night was delightfully entertained and inspired by a forceful and thrilling message by the Rev. F. Patrick Dennison, M. D., of St. Thomas, Canada, who is campaigning in the United States for the World Movement of the Baptist people.

"This is no pretty parlor game," Mr. Dennison stated in the beginning of his address. "The fearful struggle of the World War and its awful consequence calls for the utmost energy of all Christian people. There is imminent danger of the overthrow of Christianity of pitiless iniquity and blatant atheism. The ascertained facts blanch our cheeks. Men of sane minds are not blind to the evils that threaten the home, the family, the church. The stability and usefulness of Christian civilization are in great peril.

"The godless rich will not save us. The fair flowers of virtue and righteousness are withering. Poisoned atheism, impiety and immorality are defying the laws of God and man. Unconsecrated editors, professors, and lawmakers can not save us.

"The slogan of the Radicals is Down with the church; down with purity. Down with the Christ; Down with the home," and thus they pro-

## FEDERAL AGENTS ARREST NINETEEN

Government Strikes at Outlaw Walkout of Railroad Switchmen and Yardmen.

## GRUNAU TAKEN IN CUSTODY

More Arrests in Other Cities May be Expected Before Night, C. B. Ames Says.

Chicago, April 15—The United States government struck today at the radical element backing the outlaw railroad strike which resulted in partial paralysis of the nation's industries and threatened industrial centers with starvation.

Deputy United States marshal acting on instruction from United States Attorney Clynne arrested nineteen of the strikers' leaders here and expected to take fifteen more this afternoon. The men arrested included John Grunau, president of the Chicago Yardmen's Association, the original outlaw union. Grunau called the first strike. The warrant filed charged violations of the Lever act and officials said criminal prosecution will be sought.

The nineteen prisoners were taken before Commissioner Mason who said he would set the bail at \$10,000 now and if the facts later warranted it he would raise the bail. Among those arrested were men whom Attorney General Palmer was reported to have termed as "dangerous men."

Two hundred additional warrants it was said will be issued later.

Washington, April 15—Arrests of leaders of the outlaw railroad strike may be expected in many cities before night, C. B. Ames, assistant attorney general, indicated today.

## INTRODUCES RESOLUTION TO IMPEACH LOUIS POST

Assistant Secretary of Labor Accused of Preventing Deportation of Aliens.

Washington, April 15—A resolution providing for impeachment of Louis Post, assistant secretary of labor, on charges of preventing deportation of aliens who attempted to overthrow the government by force and violence, has been prepared for introduction in the house by Representative Hoch, Republican, of Kansas, he said today.

Hoch stated that he intended to press action on the resolution.

## To Lift Embargo.

Washington, April 15—The United States soon will take independent action and lift all restrictions against trade with Russia if the allies delay much longer in reaching a decision on the proposal of this government with commerce with Russia at the risk of the trader, it was learned officially today.

## LITTLE CHANGE IN STRIKE SITUATION

Passenger Service Gradually Restored in West, But is Crippled in the East.

## I. W. W. INFLUENCE ALLEGED

Organized Labor Leaders Think Strikers Will Return When Truth is Revealed.

By United Press.

Railroad passenger service crippled by the strike of switchmen, yardmen and firemen, was reported gradually being brought back to normal throughout the country today. Movement of freight was being resumed in the west today, but was still tied up in the east.

Officials of the railroad brotherhoods who have fought the unauthorized strike declared it was broken definitely.

While the men were reported returning to work in large numbers in some middle western cities, there were no important defections from the ranks of strikers in the eastern districts.

Government officials who have been in touch with the strike situation believed that the men who walked out would return to their jobs as the result of exposure of alleged I. W. W. leadership of the strike by Attorney General Palmer. They believed the evidence Palmer has made public would convince the strikers that they have been misled. Strikers at Chicago headquarters of the leaders of the unauthorized walkout expressed indignation at Palmer's charge. William Haywood, secretary of the I. W. W. organization, denied the charge, saying, however, the I. W. W. approved the walkout.

Switchmen on several roads in Chicago voted to return to work late yesterday and forty more were to return today on the Rock Island. Firemen and engineers on both the Fort Wayne and Pan Handle sides of the Pennsylvania, were to return to work today.

General improvement in New York yards was reported by officials today. Employees were reported returning to work in New York. Brotherhood officials who have been fighting the "rump" organization predicted nearly all the men would be back by the end of the week.

Several hundred students were working in the yards. Only perishable freight was being moved. The normal supply of milk, some meat and other foodstuffs was reported received today.

Federal officials were making every effort to determine who was behind the strike. They were attempting to trace the authorship of a circular issued here, urging the railroad men to demand one big union.

The government waited to learn whether Attorney General Palmer's charge that the nation-wide railroad strike was organized by the I. W. W. will induce the workers to repudiate their leaders and return to their jobs. That the strikers will begin flocking back today is the hope of President Wilson and his cabinet.

Palmer charged William Z. Foster who organized the steel strike with turning his attention to the railroad situation.

Immediately after that strike ended, he charged Foster was working for the I. W. W. and the Communist internationale which seek the overthrow of the United States government through force and violence. He made public letters and documents to support this charge.

Palmer and his associates believed the men who walked out, upon learning of the justice departments expose of their leaders as revolutionists, will feel they have been betrayed and that speedy collapse of the strike will follow.

### THE OUTLAW STRIKE.

A Washington dispatch states that the department of justice agents who are investigating the outlaw railroad strike have gathered evidence tending to show that the Communists' party of Russia is responsible for the walkout. The situation was outlined yesterday to the President and his secretaries by Attorney General Palmer, but what transpired in the cabinet meeting has not yet been fully revealed.

Many people, including those who are high in authority in recognized railway brotherhoods, have known that sinister influences of some sort were behind the strike. The strike, writes W. S. Stone, president of the Brotherhood of Locomotive Engineers, "is not only illegal from start to finish, but it is an effort to destroy

all legitimate labor unions." Labor unions see the purpose of the walk-out. They recognize its dangers. They appreciate the necessity of the law abiding conservative members of labor standing firmly against the lawless outbreak.

The strength of labor in the past has been its unified action. The forces back of the present strike would destroy this unity and take unto themselves the authority which rightfully belongs to the individual members and which is delegated by them to responsible leaders. Organized labor is imperiled if the present strike is successful. Labor leaders themselves recognize this fact. Organized labor is called upon to help in the fight to save itself.

#### I AM NOT TO BLAME

Several people in the last few days have given me a piece of their mind because I could not fill their orders for The Indianapolis Star.

In my advertisements, and verbally, I have been informing the public that due to the paper shortage The Indianapolis Star was limiting the consumption of paper, and even if I were willing to "eat" the papers it asks if I can sell, tolerating no waste.

The Star will gladly fill my legitimate orders—nothing more. If you will give me a regular order, I'll guarantee to take care of you.

Otherwise, don't blame me.

#### DEMOCRATIC POLITICAL BOSS IN ILLINOIS DEAD

Roger Sullivan, Financier and Politician Expires of Heart Disease.

By United Press.

Chicago, April 15—Millionaires, policemen, widows, bankers and statesmen joined today in expressions of sympathy over the death of Roger Sullivan, financier and politician, who rose from farm hand to political boss of his state. Sullivan died late yesterday as a result of a sudden attack of heart disease. He had been in failing health for several months. Funeral services will be held Saturday. With the death of Sullivan Illinois Democrats today were leaderless.

"The boss is dead" was the message flashed through Chicago's great west side last night. There was general mourning throughout for it was among the Irish and the foreign element in that part of the city that Sullivan was loved best.

Sullivan dominated Illinois Democratic politics for twenty-five years and for the last twelve years has been a national figure.

Sullivan, 59, was born at Belvidere, Ill., and as a child worked as a farm hand for \$8 a month. He came to Chicago, worked in a railway shop and got into politics. Gradually he got into business on a big scale. It is estimated he was worth \$10,000,000.

To Sullivan perhaps more than to any one else, Woodrow Wilson owes the fact that he is president of the United States. Sullivan's friends here today said. It was at the Baltimore convention in 1912. Champ Clark had the Illinois instructions, but Sullivan controlled the delegation. After several ballots had been taken Sullivan decided to swing to Wilson.

It was the first big break in the convention and Wilson's nomination followed.

#### Marriage License.

A marriage license was issued today to Leslie Farmer and Matilda Gardner, both of Seymour.

#### DUDLEYTOWN.

An entertainment will be given Saturday night, April 17th by the Dudleytown choir at the Lutheran school. Everybody cordially invited.

All the relatives and friends of the late Mr. Bishoff were much grieved to hear of his sudden death early Saturday morning.

J. L. Stillwell, county highway superintendent, called on William Brandt, assistant superintendent Friday, afternoon.

John Goecker and wife, who have bought the Charles Cox farm will move sometime this week.

George Albersing and family of Seymour, spent Sunday with John Wehmiller and family.

Miss Lillian Bobb of Seymour, and Henry Kilgas visited August Bobb, Trustee and family, Sunday.

A crowd of young people from here attended the wedding of Emma Hageman and Walter Hackman of near Sauers, Sunday evening.

Rev. Otto Massman and wife called on Henry Ruve and family, Sunday.

English services were rendered here Sunday morning.

#### BECK'S GROVE.

Collin McCord is on the sick list.

Mrs. Chas. Settle, of Freetown, and Mrs. Chas. Eddy and son, Robert, of Garden City, spent the week end with their parents, Mr. and Mrs. Collin McCord.

Mr. and Mrs. Riley Lutes and son, Everett, spent Sunday with Zephy Garlock and family.

Miss Gertrude Gralock returned Saturday from Columbus where she has employment.

R. W. Barker was at Columbus Saturday.

Mrs. Orville Barker and children spent Sunday with her parents, Mr. and Mrs. Joseph Garlock.

Mrs. Sarah Sutherland spent Sunday afternoon with Mrs. Collin McCord. Mrs. Virgil Clark and little daughter, Maxine, of Columbus, are visiting Mrs. Clark's parents, Mr. and Mrs. Jacob Ault.

Mrs. Cass Barker entertained her three brothers, Willard, Sammie and Pink Fuls, Sunday.

#### SHIELDSTOWN.

Attendance at Sunday School 18, collection 22 cents.

Mrs. Flora McKain was taken suddenly and seriously ill last Friday, and her condition is critical.

James Persinger and family visited relatives at Medora Sunday.

The infant son of John Henson and wife died Friday night. The remains were taken to Brownstown Sunday and laid to rest in Fairview cemetery.

Mrs. Eva Rhinehart, who has been spending several weeks with her sister, Mrs. Warren Skinner, returned to her home at Indianapolis Monday.

Andrew Fosbrink and family spent Sunday with Henry Persinger and wife.

George and Will Beickman and John Topie and wife spent Sunday with their father, William Beickman, who is in very poor health.

#### FEDERAL AGENTS

#### ARREST NINETEEN

(Continued from first page)

following the news that Chicago leaders had been taken into custody. All the arrests probably will be made under the criminal section of the Lever act and the number may reach more than fifty it was believed here. Meanwhile the senate was in executive session considering confirmation of the railroad labor board action on which was postponed yesterday. Palmer made public today two pamphlets which, it was said, were printed by the I. W. W. organization for distribution among railroad strikers. Special Agent Ceohan said "the pamphlets printed in Chicago show the I. W. W. is backing the strike, despite the denial of William Haywood, head of the I. W. W. that that organization is concerned in it.

The Seymour Woolen Mills needs a few girls for weaving. Permanent position. Pay while learning and an opportunity to make good money. It will pay you to investigate. a5dtf

Mr. and Mrs. Harry Branaman and Allen Branaman, of Washington, attended the funeral of Mrs. Kate Murphy here this afternoon.

### WILL RETURN TO THIS CITY.

Yeomanette Nora Pomeroy, who has been in active service with the United States Navy Department for the last two years, has resigned her position and will return to this city about May 1. Miss Pomeroy was forced to resign on account of her mother's health. She enlisted in Indianapolis, in July 1918; and was sent immediately to Washington, D. C., where she has been stationed since that time. She has visited in this city only once since her enlistment. Yeomanette Pomeroy is the daughter of Mr. and Mrs. G. F. Pomeroy, 217 North Pine street.

### GARDNER—FARMER.

Miss Matilda May Gardner and Leslie E. Farmer were quietly married this morning at the parsonage of the Pentecostal church, Brownstown, Rev. Jessie Nichols, officiating.

Immediately after the ceremony Mr. and Mrs. Farmer came to this city where a wedding dinner was served at the bride's home. Covers were laid for nine of the close relatives.

They expect to leave Friday morning for Orleans for a visit with the groom's mother, and from there will go to Dubois to spend a few days.

### ATTEND BANQUET.

Mr. and Mrs. Carroll Bush, Mrs. Stella Allen, Mrs. Will Hamer and J. M. Hamer were in North Vernon Tuesday evening to attend an Eastern Star meeting. At the close of the meeting, a banquet was served.

### FORTNIGHTLY CLUB.

Mrs. B. S. Shinness, Calvin Boulevard, was hostess this afternoon to the members of the Fortnightly Club. The afternoon was spent with sewing and at the close a light luncheon was served.

### BRIDGE CLUB.

Mrs. Fred Able, corner Sixth and Ewing streets, was hostess yesterday afternoon to the members of the Wednesday Bridge Club.

## HOME MADE RECIPE CATARRH AND COLDS

Nonexpensive—Cut This Out.

Thousands are making this beneficial remedy at home and anyone who has catarrh or a cold can do the same.

Ask your druggist for three quarters of an ounce of Mentholized Arcine and pour it into a pint bottle, then fill the bottle with water that has been boiled.

Gargle the throat as directed and snuff or spray the liquid into the nostrils twice daily. It's a simple way to get rid of cold and catarrh and keeps the nasal passage and throat so clean and healthy that germs of flu or any other germs will have a hard time gaining a foothold.

## WAS NERVOUS AND RUN DOWN

RESTORED TO NORMAL  
HEALTH BY BIO-FEREN

"I feel I owe you people a world of gratitude for the benefit I have received in using your wonderful remedy—Bio-feren Tablets, which have completely restored me to normal conditions," says Joseph E. Webb of Muncie, Indiana.

Bio-feren is without doubt the grandest and quickest remedy for nervous, run down, weak, anemic men and women ever offered direct through the druggists and is not at all expensive.

Take two after each meal and one at bed time, and after seven days take one after each meal and one at bed time until the supply is exhausted.

Then if you feel that any claim made in this special notice is untrue—if you are not in better health—if you do not feel ambitious, more vigorous and keen minded, yes, twice as much as you did before, the druggist who sold you the tablets will gladly hand you back just what you paid for them.

All druggists in this city and vicinity have a supply on hand, or can easily get it for you.

Seven a day for seven days—Wonderful results.

Miss Eunice Morrison went to Franklin Wednesday afternoon to enter Franklin College for the spring term. She is the daughter of Mr. and Mrs. Howard Morrison, east of the city.

### COPY FOR PRIMARY BALLOTS PREPARED

(Continued from first page)

ers that the names of the candidates for president, vice-president, United States Senator and Governor must also be printed on the county ballots. For these offices the aspirants' names will be printed regardless of whether or not they have opposition. In the case of local divisions, however, the names of unopposed candidates will not appear on the ballots.

The task of preparing the copy for the ballots is rather difficult as each candidate must be given a number and where there are four or more candidates for the same nomination the law provides that the names must be rotated on the ballots. In this way each candidate will get first place on the ballot the same number of times as the others.

The ballots for the different precincts are different in some respects. The national, state and county offices of course, are not changed, except in the location of some of the names, but the candidates to the state convention are different for practically each district. However there will be a contest in but one division for delegate to the state convention. T. H. Montgomery and Jay C. Smith had previously filed as candidates in the Eighth, Ninth and Tenth precincts on the Republican ticket. Two are to be elected. Wednesday J. H. Andrews also filed a declaration of candidacy and the ballots in these three precincts will show the three names, two to be elected. A Republican contest for committeemen will also be waged in the west precinct of Carr township, Ellis H. Burcham and John R. Huffman having filed. The only Democratic contest for precinct committeeman was in the Tenth of Jackson township where John T. Abell and Henry Price filed.

Separate ballots will be printed for both the Republican and Democratic voters. When a voter enters the voting precinct he will be required to call for the ballot of the party with which he is affiliated.

The ballots will not be lengthy

# Corn Pain Stopped Quick

"Gets-It" Loosens Them So They Lift Off in A Jiffy.

The corn pains cease as soon as a few drops of "Gets-It" reach the corn. It goes out of the hurting business forever.

For a day or so the corn remains, getting looser and looser and without a twinge from it. Then, it gets so loose that you just lift it right off, without even feeling it, and cast it away. That's how easily and simply "Gets-It" disposes of the corn nuisance.

"Gets-It," the unflinching, guaranteed, moneyback corn remover, costs but a trifle at any drug store. Mfg'd by E. Lawrence & Co., Chicago. Sold in Seymour and recommended as the world's best corn remedy by C. E. Loertz and E. F. Maxon.

## HORSE-SHOE TIRES

After 3,500 Miles

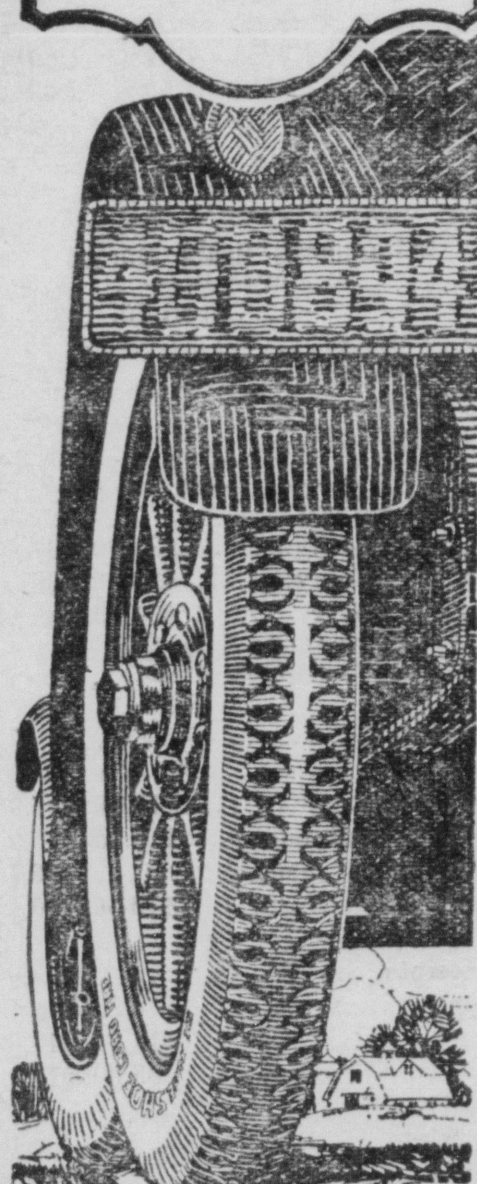

It is the performance after the first 3,500 miles that determines how much a tire costs.

Many business corporations, states and municipalities that buy tires on a cost-per-mile basis use Horse-Shoe Tires exclusively. They know that after the first 3,500 miles, Horse-Shoe Tires are wearing down smoothly and evenly while other tires are wearing out.

We do not ask you to take our word for Horse-Shoe Tire performance. But when you put one on your car, we know that its service after 3,500 miles will convince you.

## LEGION CONVENTION

Thousands of Former Soldiers To Meet at Vincennes.

By United Press.  
Vincennes, April 15—Vincennes today began preparations for entertaining between 3,000 and 5,000 members of the American Legion at the state convention to be held here June 28 and 29.

L. Russell Newgent, state adjutant and Judge Raymond S. Springer, of Connersville, state commander, have completed an inspection of the preparations.

The convention will be held in the new high school auditorium. Citizens of Vincennes will provide meals free to legionnaires during the two days of the convention.

Mrs. May McClellan arrived from Seymour Tuesday to visit at the home of A. R. Ellis. Mrs. Ellis went to the local hospital Tuesday night for an operation for the removal of her tonsils—Washington Democrat.

Mrs. James Holland visited her mother, Mrs. James Christie, in Indianapolis today.

## FACTS TO KNOW ABOUT ASPIRIN

The "Bayer Cross" means genuine Aspirin prescribed for 18 years.

Aspirin created a sensation when introduced by Bayer over eighteen years ago. Physicians at once proved its wonderful efficiency in the relief of pain. The genuine, world-famous Aspirin, in "Bayer Tablets of Aspirin" is safely taken by millions for Colds, Headache, Rheumatism, Neuralgia, Earache, Toothache, Neuritis, Aching Joints, Neuritis, and Pain generally.

Be sure the "Bayer Cross," which is the mark of true "Bayer Tablets of Aspirin," is on each genuine package and each genuine tablet.

Boxes of 12 tablets cost but a few cents and contain proper directions. Druggists also sell larger "Bayer" packages. Aspirin is the trade mark of Bayer Manufacture of Monoaceticacid-ester of Salicylicacid.

## HOW'S YOUR BLOOD? Pimples and Eruptions Mean Bad Blood

People who have impure or impoverished blood should be careful to take only a temperance remedy made of wild roots and barks, such as Doctor Pierce's Golden Medical Discovery is and has been for nearly 50 years. Ingredients printed on wrapper.

The first day you start to take this reliable medicine, impure germs and accumulations begin to separate in the blood and are then expelled through the eliminative organs.

In place of the impurities, the arteries and veins gradually get fresh vitalized blood and the action of this good blood on the skin means that pimples, boils, carbuncles, eczema, rash, acne and many skin blemishes will disappear. Then you must remember that when the blood is right, the liver, stomach, bowels and kidneys become healthy, active and vigorous and you will have no more trouble with indigestion, backache, headache.

Get Doctor Pierce's Golden Medical Discovery to-day at any medicine dealers, in tablet or liquid form, or send 10c. for trial package to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y.

Write Dr. Pierce for free confidential medical advice or for free booklet on any chronic disease.

Grand Rapids, Wis.—"I had stomach trouble for about eight years. Had to be very careful what I would eat or I would be down sick. I suffered something terrible about a year ago. I started to take 'Golden Medical Discovery' and two bottles put me in fine condition. I can eat anything and do not feel distressed. I had taken many medicines previous to this and had doctors prescribe for me, but nothing seemed to give me any relief."—MRS. EMIL OESTREICH, 212 14th Ave., North.

Drive this New CHALMERS to Estimate Its Worth

WHEN you have driven this new Chalmers you will appreciate its marvellous ease of action, its soothing absence of vibration, its great energy—results directly traceable to the Hot Spot and Ram's-horn.

Hot Spot is an ingenious device that occupies about six square inches. It receives from the carburetor gasoline still in a raw, heavy state and breaks it up into infinitesimal particles.

Then the gasoline, now a "cloud" of dry gas, is rushed into the cylinders via Ram's-horn (which has no sharp corners to impede the progress).

Thus the cylinders get the kind of "food" they should have, and you get a snap, a "kick" from "gas" that you haven't seen in many a day.

Some things you don't get, too, and they are burned bearings, scored cylinders, frequently fouled spark plugs—all traceable to inferior "gas" which most engines cannot "digest."

Ride in this new Chalmers and you, too, will say: "Chalmers is one of the few great cars of the world."
